

# MAHENDRA ENGINEERING COLLEGE

(Autonomous)

Accredited by NAAC 'A' Grade & NBA Tier-I (WA) UG: CSE,ECE,EEE  
Mahendhirapuri, Mallasamudram, Namakkal Dt. - 637 503.

## Department of Electronics & Communication Engineering

### Project Based Learning

Name of the Faculty	:	V. Senthil Kumaran
Name of the Course	:	Python Programming
Topic/Experiment	:	Online Doctor Consultation App using Android Studio
Date of Presentation	:	30.04.2021
Name of the Students	:	Suganya V. and Yalieny K., III Year ECE
Participants	:	III Year / VI Semester –ECE

### Report on the Presentation

Online Doctor Consultation health app was developed with a motive to consult the Doctor related to health questions and get expert answers on health related queries. Indians are now started to treat health issues and symptoms via video consultation or through chat with doctor and allow anyone to do the same, anytime, anywhere. This app was now developed to consult a doctor online across 10+ specialties on experimental basis. Specialties includes General physician - Cold and Cough, fever and headache. App allows two-way communications and provides highly detailed reports about patients' history.

Health concerns are discussed over a private call, chat, or video consultation with other benefits such as:

- Connect with the best doctor in just 60 seconds
- 100% safe and secure online medical consultations
- Follow-up with a free doctor chat
- Online doctor appointment booking can be done from the comfort of your own

The process involves the following:

- Finding the right doctor
- Book doctor appointments online with any doctor in and around your locality
- Choose from an expansive list of doctors and specialists across India
